When I look in your eyes
I can see so shiny
You are my paradise, my desire
In the way that you are
That I loose my mind
What you doing to me, oh my love

I can't find the way you touch my heart
You know, you are my everything
So please stay, everyday, my everything

I can't find the way you touch my heart
You know, you are my everything
So please stay, everyday, my everything

When you talk to me
It's all that I can see
You can have my world, my sunshine
In the way that you are
So I loose my mind
What you doing to me, oh my love

I can't find the way you touch my heart
You know, you are my everything
So please stay, everyday, my everything

I can't find the words, you touch my soul
You know, you are my everything
So please stay, everyday, my everything

I can't find the way you touch my heart
You know, you are my everything
So please stay, everyday, my everything

I can't find the way you touch my heart
You know, you are my everything
So please stay, everyday, my everything

My everything

Chanson originale : Una vida loca - Titre de MAI PIERLOT : Uma vida muito louca

Musique : Artibano Benedetto - Paroles : Maiara Pierlot

Um ritmo caliente
E a gente sente
Uma energia louca amor
E vem bailando loucamente, apaixonado
Nessa loucura eu quero é mais

Você me fez bailar
Nao quero mais parar
Mas hoje vou deixar rolar
Quero ver você dançar

Baila baila baila, bien
Que esta es una vida loca
Uma vida muito louca
Baila baila baila, bien
Tiene movimiento asi

O tempo é muito quente
Ai quem aguenta
Uma energia boa amor
E vem dançando loucamente, enamorado
Nessa loucura eu quero é mais

Você me fez bailar
Nao quero mais parar
Mas hoje vou deixar rolar
Quero ver você dançar

Baila baila baila, bien
Que esta es una vida loca
Uma vida muito louca
Baila baila baila, bien
Tiene movimiento asi

Chanson originale : Andalusia - Titre de MAI PIERLOT : We Dance Through The Night

Musique : Artibano Benedetto - Paroles : Maiara Pierlot

Everytime I close my eyes
Every place that i can fly
Every dream, I'm the sky
Can be this the paradise

You`will always be so shy
Someday maybe you can be mine
But I need you just please try

Can be youuuu

Just bring to sunlight
We dance through the night

Just bring you sunlight
We dance through the night

Just bring you sunlight
We dance through the night

Just bring you sunlight
We dance through the night

Everytime I close my eyes
Every place that i can fly
Every dream, I'm the sky
Can be this the paradise

You`will always be so shy
Someday maybe you can be mine
But I need you just please try

Can be youuuu

Just bring to sunlight
We dance through the night

Just bring you sunlight
We dance through the night

Just bring you sunlight
We dance through the night

Just bring you sunlight
We dance through the night
